

PROGRAM EXECUTIVE OFFICE COMBAT SUPPORT & COMBAT SERVICE SUPPORT

Michael D. Sprang **Acting Deputy Program Executive Officer**

Michael D. Sprang assumed the role of Acting Deputy Program Executive Officer in January 2018. In this capacity, he supports the Program Executive Officer in leading the development, integration, testing, acquisition, fielding, sustainment, and modernization of more than 250 diverse programs of record. This portfolio spans the Army's Transportation, Quartermaster, Ordnance, and Engineer portfolios, and includes the Joint Light Tactical Vehicle, Mine Resistant Ambush Protected vehicles, Army watercraft, contingency basing, robotic & autonomous systems, and numerous other key force enablers.

Prior to this assignment, he served as the Deputy Project Manager for Joint Program Office – Joint Light Tactical Vehicles (JPO-JLTV) since November 2014. Before becoming the deputy PM, he led Engineering Manufacturing & Development-Team Alpha (PD EMD-A) within the JPO-JLTV. As the Product Director EMD-A, he had overall program management responsibility for one of the three EMD JLTV contractors.

From 2009 to 2012, Mr. Sprang served in Product Manager – Light Tactical Vehicles as the Assistant Product Manager (APM) for HMMWV Production & Sustainment and APM for HMMWV Modernization, where he oversaw the continued production and sustainment of the High Mobility Multi-wheeled Vehicle and its modernization program.

From 2004 to 2009, he was assigned as APM for Crew Protection with Project Manager – Tactical Vehicles. In this role, he had technical and managerial purview over all aspects of the Add-on Armor program for the U.S. Army with an operating budget of approximately \$1.2B. The Add-on Armor program provided significant and rapid solutions on all tactical vehicles operating in Operation Iraqi Freedom and Operation Enduring Freedom.

His previous assignments include System Acquisition Manager for the HTV Armor, Heavy Equipment Transporter System (HETS) and Heavy Expanded Mobility Tactical Truck (HEMTT); and system engineer on the HETS and Heavy Trailers.

Mr. Sprang entered civil service in 1993 as an engineering co-op while attending GMI Engineering & Management Institute, and has been a member of the Army Acquisition Corps since 2005. He holds Level III Certification in Program Management, Level III Certification in System Planning, Research, and Development – Systems Engineering, and Level II Certification in Systems Planning, Research, and Development – Program Systems Engineer.

His awards and honors include the Achievement Medal for Civilian Service (2006 and 2011), Commander's Award for Civilian Service (2009 and 2015), Superior Civilian Service Award (2012), and The National Defense Industrial Association (NDIA) Red Ball Express Award (2013). Mr. Sprang is an inductee of the Transportation Corps Regimental Association's Honorable Order of St. Christopher.

Mr. Sprang holds a bachelor's of Science in Mechanical Engineering from GMI Engineering & Management Institute, Flint, Mich., and master's of Business Administration from Lawrence Technological University, Southfield, Mich.
